

# FEAR NOT

---

Fear not, I am here  
Cast away every tear  
You are mine and you are dear  
Fear not, I am here

Fear not, don't dismay  
Let Me hold you, hear Me say  
"You're My child, and I'm your Stay"  
Fear not, don't dismay

## CHORUS

I have given you My name and glory  
Clothed you in My grace and made you new  
If not a sparrow leaves the sky without My knowing why  
Then how much more will I remember you?

Fear not, just abide  
You're My lover, you're My bride  
I have risen and you have died  
Fear not, just abide

(Repeat CHORUS, repeat last phrase "...Remember you?")

Key change +2 intervals)

Fear not, take My hand  
I will lead you through this land  
And In My presence you'll surely stand  
Fear not, take My hand  
Fear not, just take My hand
