

JUST A MOMENT IN TIME

Arrangement and Instrumentation: Vocal and Keys: Sue Bruk, Guitar: Jeff Gilcrest,
Strings: Dave Bullock
(Style Pop/Country ballad; optional: duet)

[GROOM] Just a moment in time, yours and mine, now "ours," together
[BRIDE] From this moment I do give to you my love forever

[BOTH]
And we'll remember through the good times and the bad
The vows we make with confidence today
Trusting Jesus to perfect the love we've had
And leave His light along the way

[BRIDE] When this moment is done we'll be "one" in one another
[GROOM] Two in union in Him we begin life for each other

[BOTH]
And as we follow in the path that He has laid before us, singing choruses to Him
He'll remind us of the promises we've made
And keep His light from growing dim

He'll remind us of the promise HE has made
To keep our love secure in Him.
