

I THIRST

This desert in my spirit has left me parched and dry
This burning in my soul's exposed my sin
So, remember me, Dear Father, and do not turn away
Take not Thy Holy Spirit from within..

BRIDGE

For I thirst, I thirst
Open up those walls of heaven and touch me once again
Lord, I thirst, I thirst
For the comfort of Your presence
To hear Your voice within
Remember me, Dear Father, for I thirst

Though I fear You have forsaken me
And Your silence makes me weep
Though the solace I desire is far away
I will never choose surrender
I will never choose despair
I will never abuse Your promise for today...

(Repeat BRIDGE, replacing “and touch me once” with “refresh my soul”)

Repeat BRIDGE, restoring “and touch me once”)

(REPEAT CHORUS)
